PRODUCT DESCRIPTION

Rinker White Portland Cement is a high quality cement that differs from regular Portland cement in color. It is known for the consistency of its white color and is made to conform to the specifications of ASTM C150 Type I.

Basic Use: Rinker White Portland Cement is used primarily for architectural purposes, such as pre-cast concrete, concrete pavers, concrete roof tile, terrazzo, swimming pool plasters, and

Limitations: Aggregate for concrete should be clean, free of chemicals, coatings of clay, or other fine materials that may affect the hydration and bond of the cement paste. Curing that could cause discoloration must be avoided, and care must be taken to avoid stains from tools, equipment, and component materials.

Availability: Rinker Roof White Portland Cement is available in 94 pound sacks containing a plastic moisture barrier and in bulk via pressurized bulk containers.

PRECAUTIONS

Freshly mixed cement, mortar, grout or concrete may cause minor skin irritations. Avoid direct contact with skin and eyes and if contacted, wash exposed areas promptly with water. Refer to the applicable CEMEX product MSDS prior to use which may be obtained by calling 1-800-99-CEMEX (1-800-992-3639).

WARRANTY

CEMEX warrants that the products identified are in accordance with the appropriate current ASTM and Federal Specifications. No one is authorized to make any modifications or addition to this warranty. CEMEX makes no warranty or representation; either expressed or implied with respect to this product and disclaims any implied warranty of merchantability or fitness for a particular purpose.

As CEMEX has no control over the other ingredients mixed with this product or the final application, CEMEX does not and cannot warrant the finished work. The user is responsible for following industry standards and recommended practices.

In no event shall CEMEX be liable for direct, indirect, special, incidental or consequential damages arising out of the use of this product, even if advised of the possibility of such damages. In no case shall CEMEX's liability exceed the purchase price of this product.

TECHNICAL SERVICES
