The CEMEX HR Service Center is committed to helping you build a better life by providing many tools and services using the benefits platform such as:

- Enrolling in your benefits
- Changing or adding your benefits due to a qualified life event such as marriage, a new born baby etc.
- Deciding what medical plan works best for you
- Addressing general benefits questions

Also, one phone number 866-472-3639 to access many other human resources and payroll services.
