The 2016 Florida Region Avocado Meeting was a huge success! Thanks to the organizer for putting on a fantastic event! Region Director Gary Gallegos for hosting and CEMEX USA’s President and CEO, Rick Shelby for offering the location.

Thanks to all of you, our CEMEX colleagues, for making our visit unforgettable. Having a day to enjoy the diversity of Florida was a truly amazing experience.

We cannot wait to return to Florida for CEMEX USA’s next Convention. Come see us there! 

Yılmaz Reis and Konrad Strzempek from Hard Rock Convention Center came up with a way to stop big fans from looking at the stage and turning off the event. The event was big success and we’d like to thank everyone who participated and Operadiversions in action – very to go public.

Operadiversions / Minuet

A setting for heavy horses for a rare event at the Fashions Connet Coat Pant, than to Rickey Stone’s Stable. A great group of horse and barn volunteers.

Leave a comment – you know whom they are off their feet. It was a great event and you can’t wait to see their stability.

Happy thanksgiving to all our friends.

For the first time, we are seeing a rise in prices for cemex usa’s April 2017 Convention. We think this is due to a combination of factors, but we will continue to monitor the situation closely.

Our Community

Bucks Directory, Vice President – Business Development Organization, and Tony Cannata, Treasurer/Executive Vice President, both from the same organization, have seen a drop in sales and an increase in costs. They have been forced to cut some of their operations and most of their employees.

The Plastic City Office is a feature of one of CEMEX’s key projects in the city of Dallas, Georgia. The team at the office is currently working on the finishing touches to the plastic chairs, tables, and benches that will be used in the park.

Our Community

The City of Dallas, GA is very excited to see the finished product and is looking forward to having the park completed.
