

The world is **changing**, and so is CEMEX!

We're reducing our usage of paper in delivery tickets and invoicing. Here's how this benefits you:

Tired of accumulating papers?

All delivery tickets are available for you in CEMEX Go. Filter by date, order and more criteria.

Need a hard copy?

Download any delivery ticket easily in a printable PDF format. It will look the same as if it had been printed and scanned.

Want to streamline your processes?

Download delivery tickets, invoices associated with that delivery, credit notes, payment references and much more

Ready to make your processes faster and more efficient? [Click here](#) or scan the QR code to go back to the learning hub for more information.

If you have questions about paperless delivery tickets, please contact your CEMEX Sales Representative.
